### The Best Fertilizers for Corn

That the yield of corn from the average farm can be greatly increased by intelligent and liberal fertilization has been repeatedly demonstrated. Large crops of good corn result from preparing the land well, using the right kind and quantity of fertilizer, good seed and proper cultivation.

### Virginia-Carolina Fertilizers

will greatly "increase your yield per acre" of corn or any other crop. In some cases remarkable results have been obtained.  
Mr. C. W. Caruthers of Sumpter County, Fla., writes: "Words cannot express the value of your fertilizer. It is really so far ahead of other companies' goods, that it would not pay anyone to use other brands, were they given free and put in the field. I can prove what I say to be a fact. I made a test on five acres. I used on one half the land your fertilizer and on the other half another company's fertilizer, same grade; the land received the same cultivation every time. I kept a correct account of the amount of money I got off each half and I got \$300 more from the land on which I used Virginia Carolina Fertilizer than I did off the other half. I got four times as much corn from the land on which I used your fertilizer."

## PLOWS

I did not buy from the first man that came around, result. I bought at my price, you can have them at 42c. one plow, or as many as you want.

I am saving other people money on flour, why not you. I haven't had a kick, any my black pepper at 10c lbs and they are finding out my nutmeg 20 for a nickel are not wood, and my customers who buy my oil regularly at 15c gal. say they don't think I put water in it, fact is good oil like mine won't mix with water, try it some time.

That good sun cured tobacco of mine is well worth ten cents, take mine for five cents 20 for a dollar.

Don't forget the elegant line of underwear, or the china and glassware. I most always have anything you call for, including shingels sap and heart, and am satisfied with just a little profit, and do business at very little expense, did you ever think, who pays store expenses? Produce wanted.
